

ADVOCATES ABROAD

We need your help - right now!

Dear <<First Name>>,

As a past or continuing supporter of Advocates Abroad, we need your help once again! In order to continue our indispensable work of providing information and legal assistance to the refugees and asylum seekers in Greek camps and shelters - and elsewhere in Europe - our field teams need funds.

We have never had more volunteer attorneys, interpreters and experts than this summer, in a time that other NGOs are leaving Greece because they can no longer afford their field programs. Because the need for lawyers is greater than ever, we are determined to stay in Greece and ensure smooth, consistent provision of our services. We need financial resources in order to continue providing information and legal support.

Because of this need and our few remaining resources, we kindly ask for your support!

We also ask that you post the message below on your Facebook, Twitter, personal blog, website, and other social media, to ask for financial support from your friends, family and colleagues as well!

Advocates Abroad needs your help this summer!

Any donation counts - no matter how modest!
